

## PA-CF3-D2

### CF to IDE Adapter, vertical type

#### Features:

- Two slots for two CF cards or Microdrives.
- For type I and type II CF storage cards.
- Fully compatible with IDE Specs.
- One Master and one Slave slot.
- No driver needed.
- DO NOT support hot-swapping.
- Plugs directly into IDE port on motherboard. Eliminates the use of an IDE cable.

#### Description:

The PA-CF3-D2 is a CF to IDE adapter for any computer with IDE interface. It plugs directly into IDE port on motherboard and eliminates the use of an IDE cable. Both CF slots support type I and type II CompactFlash or MicroDrive in TrueIDE mode. The memory card installed can boot like an IDE hard drive without any device driver. Fully compatible with all kind of operating systems. It can operate in both PIO and DMA modes for best performance.
